* ADDITIONAL INFORMATION FOR ENTITY FILINGS

- Non-Standard LLC & Corporate Formations are billed on an hourly basis; prices do not include any annual State tax or fee.
- All costs and fees set forth above are for California filings and entities on a routine turnaround basis, using the filing service at the Secretary of State counters. **For 24-hour rush/expedited service for formation and amendment filings, add \$575.00;** documents must be submitted to **David Herzog Legal** in a filing-ready format by 3:30 p.m. on the filing day for filing to be returned the following day. Rush fee includes Secretary of State rush charges.
- IF YOU HAVE ASKED US TO SUBMIT YOUR CORPORATION ON A ROUTINE FILING, WITH A DELAYED EFFECTIVE DATE, YOUR CORPORATION WILL BE FILED EFFECTIVE AS OF THE FUTURE EFFECTIVE DATE. HOWEVER, AS IT IS A ROUTINE FILING, AND NOT A RUSH, YOU WILL NOT RECEIVE YOUR PAPERWORK BACK UNTIL SOMETIME SEVERAL DAYS (OR, IF AT THE BEGINNING OF THE YEAR, SEVERAL WEEKS) OR LONGER IF THERE ARE GOVERNMENT SHUTDOWNS OR FURLOUGHS. THE RETURN OF THE FILING IS PAPERWORK THAT WILL BE NEEDED TO OPEN A BANK ACCOUNT, AMONG OTHER THINGS.
- **Rates do not include Franchise Tax Board Annual Minimum Tax of \$800,** which is payable for each year the entity is in existence, whether it is active, inactive, operates at a loss or does not do business. We do not pay that fee; please consult with your CPA or accounting professional.
- Filings for entities in other states quoted separately, and may be billed at a flat rate, hourly, or some combination.
- **Delaware:** Add \$75 for corporate and LLC filings; other entities quoted separately; if filing in Delaware but doing business in California, add \$225 to file as a foreign entity in California; foreign corporations are required to file Statements of Information and pay FTB Minimum Tax like any domestic corporation. To expedite a filing in Delaware, add \$475. Rates quoted for Delaware do not include the filing fee or tax for the Annual Filing (in Delaware) - minimum \$125 annually. Prices quoted exclude cost for Delaware agent for service of process, which must be through a registered agent in Delaware. A referral can be provided. You will need to have this in place to file your corporation in Delaware. Delaware rush turnarounds are available; add \$475. The fee does not include registration fees or annual filings with Division of Revenue, the Division of Unemployment Insurance and the Office of Workers Compensation, among any others not specifically set out in this rate sheet.
- Rates for bylaws include standard bylaws, and do not include operating agreements (for example, those operating agreements which may require connection to private offering and/or subscription documents).
- Buy-Sell Agreements and Operating Agreements (LLC Agreements) are not included in the entity flat fees, and are billed at hourly rates.
- Assignments of contracts, assets, and leases to the entity by an ongoing business are billed hourly. Any loans to the company to be evidenced by promissory notes are billed separately and usually hourly. **FOR REAL ESTATE LLCs OR CORPORATIONS,** deeding California properties is provided for a flat fee of \$575 per property, which includes recording fees. This does not include an Operating Agreement, which may be required by the recorder's office if you want to be exempt from reassessment based on no change in ownership percentages. Deeding out-of-state properties is quoted separately. This also does not include any transfer taxes which may be due; unless specifically stated, we have not advised you with regard to reassessment related to any property transferred.
- We are not responsible for any due diligence that may be required for forming your entity.
- We are not responsible for determining whether your profession may, at some point, require licensure, and thereby make your LLC ineligible for operating as an LLC, therefore requiring a conversion to a corporation.
- **PROFESSIONAL CORPORATIONS:** Any entity providing professional services, or formed as a Professional Corporation, **add \$550.** Additionally, some professional corporations are required to register their corporation with their governing

body. The registration, and the cost associated with that, are quoted separately and are not included in the flat fee. Additionally, if you choose a corporate name that triggers the requirement for you to have a fictitious name permit by your governing body, the costs and time associated with that application is not included in the flat fee. **LAW FIRMS:** The above fee does not include registration of your law corporation with the California State Bar, which is required. Our flat fee for processing and filing the law corporation registration, including costs, is **\$750.**
